

# Future Catholic Teacher Club Starter Kit

The future of our Catholic schools depends on bringing into our classrooms the brightest and best new teachers among today's Catholic students. Teaching in a Catholic school needs to be viewed not only as a promising career option, but also as the essential ministry it is in our Church today.

Our **Future Catholic Teacher Club Starter Kit** was developed to help Catholic schools provide students with opportunities to explore teaching in a Catholic school as a profession and as a ministry. Club members will explore teaching as a career and gain a realistic understanding of the many facets of teaching. This will be accomplished by working closely with other students who share a similar interest in becoming part of the educational community and with teachers who are willing to allow students to assist them in the classroom.

Kit materials include suggestions for calling together interested students, how to structure club meetings, sample by-laws, suggested activities, resources, and a sample lesson plan outline for teaching a mini-lesson. Each kit will also include a CD recordable disc, which will include the entire manual in a pdf file, as well as the sample letter and by-laws in word processing documents, which can be edited to suit your needs. Kits are available for \$15.00 each.

**Future Catholic Teacher Club Starter Kits** can be purchased by contacting Susan Coughlin, Diocese of Cleveland, Office of Catholic Education, 1404 East 9<sup>th</sup> Street, Cleveland, OH 44114 via mail, via e-mail at [scoughlin@dioceseofcleveland.org](mailto:scoughlin@dioceseofcleveland.org), or by fax at (216) 579-9655.
