

St. Dominic School
3455 Norwood Rd.
Shaker Heights, Ohio 44122

Position: Catholic Elementary School Principal for 2010-2011

Enrollment: 175 Students in K-8. There is one classroom of each grade level.

Professional: A Master's Degree in Administration, Standard Elementary Principal Certification, Appropriate Catechetical Certification

Personal: The mission statement of the Church of St. Dominic describes us as "a Eucharistic family living the mission of Christ." Because the school community is an integral part of the parish, the role of the principal is to help fulfill this mission.

We are a racially diverse community, and our school population reflects this diversity. The school has a rich tradition in the parish, and the parishioners and pastoral staff are committed both financially and spiritually to the vision of the school.

St. Dominic School takes pride in its "Catholicity". Weekly Eucharist for the school community, outreach to the poor, and a faith-filled faculty are the hallmarks of our program. Academic excellence is of primary value to both faculty and parents.

The Principal is a member of the parish staff, and must have a willingness to work collaboratively with other ministers. The position requires the ability to support parental involvement, parish activities, and extracurricular activities. The principal must have the ability to maintain consistent discipline with dignity, firmness, and a Christian attitude, working with parents and faculty to shape Christ-centered young people with strong Catholic values.

Experience: The position requires four years of teaching experience. Three or more years of administrative experience are preferred.
